1

## CUT

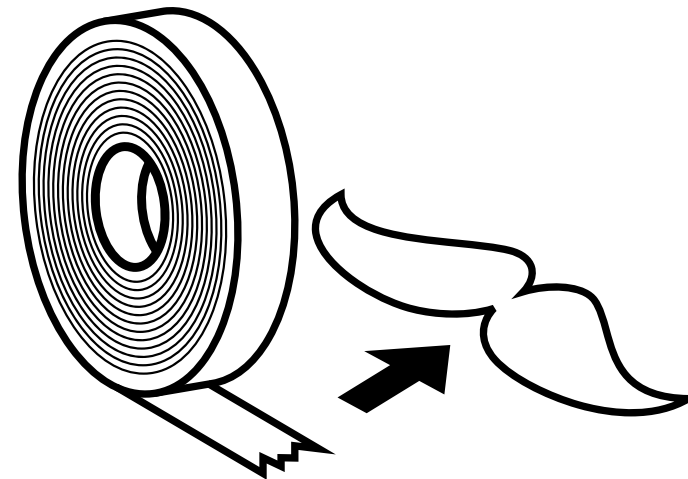

Using a pair of scissors, cut around the disguise parts. Remember, you've been drinking more booze than usual, so be careful!

2

## STICK

If you have double sided tape, use it on the reverse of the disguise parts. If you don't have this, don't worry, you can use cellotape instead.

# INSTRUCTIONS 2/3

Follow our easy-to-use instructions and you'll soon get that five minutes to yourself.

## CREATE

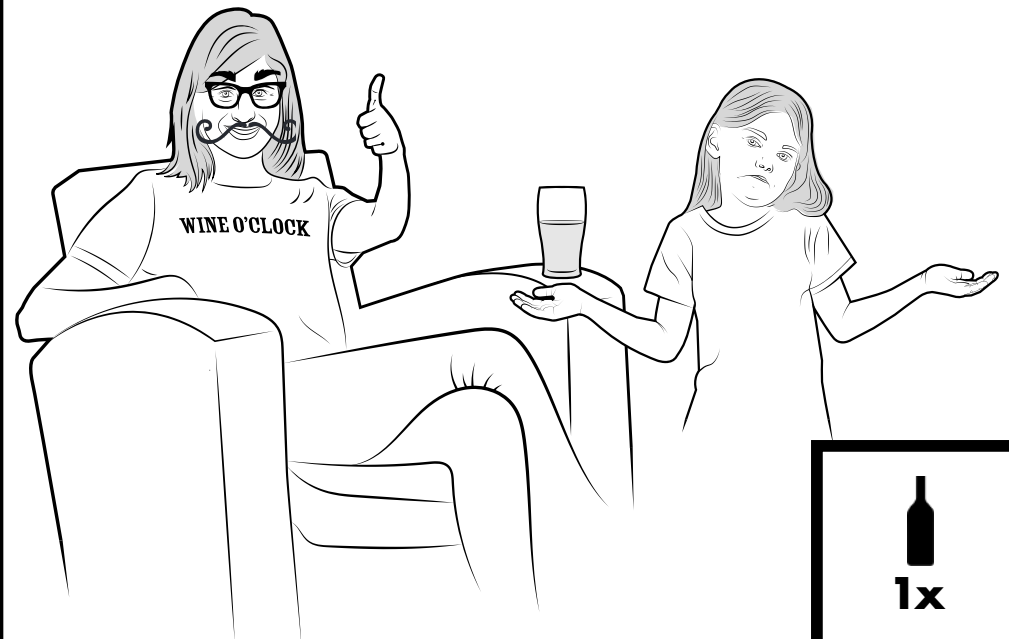

Go, Picasso... this is where your artistic talents take centre stage. Just think of your face as a canvas and let your imagination run wild.

4

## DISAPPEAR

It's almost as if you've melted into thin air!  
Enjoy your freedom from the demands.  
You've earned that pint of wine!

# INSTRUCTIONS 3/3

Follow our easy-to-use instructions and you'll soon get that five minutes to yourself.
